## Irrigation Plan

Note: **All overhead spray irrigation must be converted to drip irrigation and all spray heads must be capped off.** If you plan to hand water, all irrigation must be removed or capped off. If installing synthetic turf, all irrigation must be capped off. Please describe your plan below. Converted area(s) cannot be watered using overhead sprinklers and/or rotors. Please select the methods of irrigation for your converted area.

Drip Irrigation

Hand Watering

If using both drip irrigation and hand watering methods, please describe the irrigation plan for each method of watering your converted area(s).

## — Parkway Estimated Coverage Calculation Worksheet 2017

Use this worksheet to ensure your project meets the coverage requirements. The converted area must contain enough plants to create **at least 50%** living plant cover when plants are fully grown; **trees, hardscapes and mulch do not count towards 50% plant coverage**. Values for mature coverage are available on our Water-Wise Landscaping webpage at [www.CoronaDWP.org/cashforgrass](http://www.CoronaDWP.org/cashforgrass). If you need assistance with coverage calculations or need additional information, please call (951) 736-2234. **Use additional sheets as necessary. Conversion area using impermeable/waterproof surfaces are ineligible for the rebate program.**

## Disclaimer

The City of Corona Department of Water and Power (DWP) makes no representation or warranty relating to contracted services or products that may be installed in converted areas, including any hazardous substances that may be contained in any product. Removal of grass and installation of water efficient devices will help reduce water use, but does not guarantee that less water will be used. Water use depends on many factors, including plant types, proper sprinkler settings, and personal water use habits. This application is for a rebate only.

By participating in the program, you waive and release DWP, and its employees, from any and all claims and causes of action arising out of the removal of grass and/or the purchase, installation or use of devices in connection with this Cash for Grass Rebate Program. Any claim you may have based upon any defect or failure of performance of a contracted service or device purchased by you should be pursued with the contractor or manufacturer/distributor.

DWP only enforces the terms and conditions of the Cash for Grass Rebate Program. Visit [www.CoronaDWP.org/cashforgrass](http://www.CoronaDWP.org/cashforgrass) for most recent Terms and Conditions. The applicant is responsible for complying with all applicable laws, codes, policies, covenants, conditions, and restrictions that may apply. Quality and appearance of the converted area is the responsibility of the applicant, but may be reviewed periodically by DWP to ensure program compliance. Failure to maintain the property in program compliance may result in the participant being required to refund all or a portion of the rebate. By signing below, the applicant consents to the recovery by DWP of all or a portion of a previously granted rebate for a property that is not maintained in compliance with the program, through the addition of a surcharge on the applicant's water bill over whatever period of time is deemed appropriate by DWP.

## Right of Entry

By signing below, the applicant represents that he or she is the owner of the real property for which a rebate is requested ("Property"), and that he or she has the right to authorize DWP and its employees to enter onto the Property. The applicant: (i) authorizes DWP and its employees to enter upon any unfenced front, side or back yard for which a rebate is requested as described in this application, at any time without further notice to the applicant or any occupant of the Property; and (ii) agrees to cooperate with DWP to provide access to DWP employees to any portion of the applicant's fenced front, side or back yard, for the purpose of verifying the conversion of the Property's landscaping described in this application, and verifying the ongoing maintenance of the converted area.

## Right to Use Photographs and Consumption Information

By signing below, the applicant grants to DWP and its employees a license to publish, advertise, and otherwise use any photographs submitted by the applicant as well as post-conversion pictures once the converted area has been established. The applicant understands and acknowledges that DWP may include such photographs in brochures, websites, and other materials advertising the Cash for Grass Rebate Program without compensation to the applicant. The applicant further grants to DWP the right to share the applicant's water consumption data with any public agency that has or does provide funding or furnish water to DWP, and acknowledges that such data may be used by such agencies for various purposes.

## Signature (required)

By signing below, the applicant agrees to comply with the program terms and conditions, as well as all Federal, State and local codes, including covenants, conditions and restrictions, as applicable. The applicant has read, understands and agrees to the terms and conditions of the program as outlined and certifies that the information on the application is complete and accurate. **By signing below, the applicant confirms the provided photos accurately reflect the current conditions of the participating area and that killing or removing of turf grass has not and will not begin until after receiving a rebate number from the Water Resources Team.**
